FURNITURE FOR LIFE®

■ The **INDI-STRUCT Range** has been specifically designed to offer you a complete furniture solution for all different aspects of challenging behaviour.

For a number of years our in-house development team have been working with various clients and experts, across a wide spectrum of the care and secure sectors, helping to create furniture designs that will aid with the support and safety of their varied residents' needs. By doing this we have gained a vast experience and knowledge in understanding the necessary key point design features that are essential to allow us to produce furniture items which offer extreme durability along with excellent quality and value for money, while still maintaining a warm homely look and feel without looking harsh and institutional.

The **INDI-STRUCT Range** has been tested and maintains certificates for Strength and Stability to BS4875 Parts 7 & 8 (2006) Test Level 5 – severe contract furniture.

Within our **INDI-STRUCT Range** we offer everything from Beds, Bedroom Cabinets, Lounge/Living Units, with Secure TV Cabinets, to High Dependency Secure Furniture Solutions, however if you have any special requirements that you feel will need extra attention then let us know and we can discuss various bespoke design options. ■

FURNITURE FOR LIFE®

## DESIGN SPECIFICATIONS AND FEATURES

- Tested to BS 4875-7:2006 Test Level 5, Structurally suitable and stable for severe contract situations.
- 18mm easy clean melamine faced MDF carcass
- 25mm easy clean melamine faced MDF tops with soft rounded corners and smooth profiled edges
- 18mm thick solid fixed backs to all units
- Heavy duty **INDI-STRUCT Drawer System** which is an 18mm MDF drawer box with heavy steel roller runners for extreme strength and durability
- Drawers are fixed so they cannot be removed without security tools
- Security screws used throughout as standard
- Fixed shelves
- All units are recessed at the back to allow them to be cut out around the skirting board to let the unit be wall fixed without any gaps or concealment holes

The **INDI-STRUCT Drawer System** has by far the strongest drawers available on the current market. The drawer box and base is made from 18mm thick melamine faced MDF which is then mounted on extremely heavy duty steel roller runners rated to 100kg. These drawers are fixed so they cannot be removed without the aid of security tooling.

All bedroom units have cut-out handles as standard whereas the living range items are all fitted with the finger pull design handle which is secured using anti-tamper fixings.

Various hinge options on the wardrobes depending upon requirements.

Optional sloping top doors available.

Scratch resistant polycarbonate panels are used in all viewing products.

The tops of all units are made from 25mm thick melamine faced MDF with soft rounded corners and smooth profiled edges.

Units have solid 18mm melamine faced MDF backs, these are stepped in at the back when fitted to allow the unit ends to be scribed neatly to the wall.

The wardrobes do not have any hanging rails, to try to reduce obvious ligature points, instead they have a fluted shelf which allows the hanger to sit in to it.

Retro fitting sloping tops are available for the wardrobes to try to prevent climbing.

Security fixings throughout as standard.

The full **INDI-STRUCT Range** is available in the following colours.

## ■ ■ ■ SECURE TV UNITS

Our **Secure Living TV units** are made to house a modern television, DVD players and games stations. These items can be locked safely away from risk of abuse without reducing viewing quality.

Each unit is fitted with its framed 6mm thick scratch resistant polycarbonate viewing panel. Polycarbonate is rated to be up to 200 times stronger than its equivalent in glass.

Available in 3 different cabinet sizes which will house most modern-day TVs .

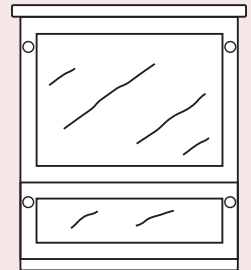

If you have any specific needs that cannot be met using our standard cabinets then speak to us and we will work with you to try to help to overcome your problems.

TV Cabinet Sml

## ■ ■ ■ BEDROOM

The **INDI-STRUCT Bedroom Range** will meet the demands of most challenging environments while its design and finish will help to allow you to create the homely feel that is so important for a resident's care and rehabilitation.

The unit options available will allow you to maximise storage facilities without overcrowding the room.

There are 3 different hinge options available on the wardrobes depending upon your requirements these include standard 270 degree hinges, piano/strip hinges and our extremely heavy duty **INDI270 hinges** which is a strip hinge that allows the doors to open 270 degrees.

All of the units have scooped out handles as standard and wherever possible all corners and edges have been rounded and smoothed off to reduce obvious risks of injury. All of the units have 18mm thick solid backs which will allow them to be wall secured very easily without the need for extra brackets or ties.

To try to help to reduce climbing there is the option of a sloping top section, this can easily be retro fitted to a wardrobe even after the wardrobe has been installed and wall fixed.

Beech

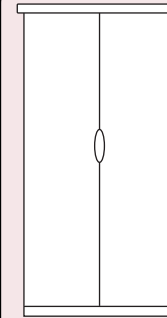

Oak

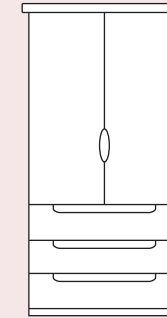

French Walnut

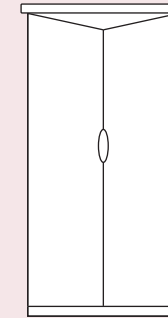

The **INDI-ROBE** and **INDI-GENTS** are fitted as standard with semi concealed 270 degree opening all metal hinges, 3 per door on wardrobes and 2 per door on gents robes.

Anti Lig Robe  
1825 x 814 x 620  
**INDI-A/LGENTS**

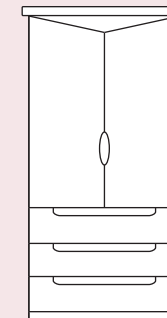

The anti ligature wardrobes are designed to try to minimise obvious ligature risks while maintaining the simple smooth design.

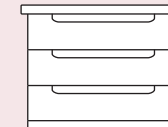

Some of the features included are the sloping doors, and heavy duty piano/strip hinges which are fitted using anti tamper screws and an anti-ligature clothes shelf with groove to allow the use of a cardboard hanger, cut-out handles and soft rounded corners on the tops of all units.

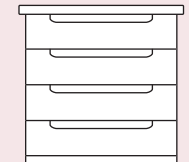

270 Double Robe

**INDI-3DRCHEST**

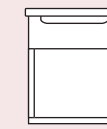

4-drawer Chest  
890 x 780 x 545  
**INDI-4DRCHEST**

The **INDI 270** wardrobes, have all of the standard design features of the anti ligature wardrobe but with the added benefit of having fitted to them the extremely heavy duty strip hinges that are made especially for us. These hinges have all of the advantages of a standard strip hinge but they allow the door to be opened back 270 degrees and fold flat against the wardrobe end, which greatly increases the resistance to abuse. The hinge is fixed to the door using anti-tamper screws which are fastened into the edge and face of the door as well as the edge and face of the wardrobe end.

## BEDS AND MATTRESSES

**Box Bed**

*Reinforced internal linings  
and support sections*

Available in 3ft & 4ft widths, all beds take a standard 6ft 3in long mattress, 18mm Melamine faced MDF with internal reinforcing linings and smooth rounded corners to the head and foot boards. The bed also has a fully secured bottom panel to eliminate all potential concealment areas. This bed can also be fixed to the floor if required. The bed is delivered in two sections which are then easily fastened together - this is done to ease installation.

3ft Box Bed – 1950 x 960 x 500 **INDI-BEDSTEAD**  
4ft Box Bed – 1950 x 1280 x 500 **INDI-BEDSTEAD4**

**Box Bed with lift up storage**

Available in 3ft & 4ft widths all beds take a standard 6ft 3in long mattress, 18mm Melamine faced MDF with internal reinforcing linings. The bed bases are fitted with heavy duty piano hinges, to allow them to lift up and access the large storage areas, with smooth rounded corners to the head and foot boards. The bed is delivered in two sections which are then easily fastened together - this is done to ease installation. Head and foot boards can be changed around to make the bed suit the room layout.

3ft Box Bed with storage – 1950 x 960 x 500 **INDI-BEDSTORE**  
4ft Box Bed with storage – 1950 x 1280 x 500 **INDI-BEDSTORE4**

Wall mounted headboard for use with the **INDI-SKIDBED** is fastened to the wall using appropriate fixings (*not supplied*).

### Skid Bed with Frame

The metal skid bed with three sided frame (*headboard sold separately*).

This is delivered completely assembled and ready to use. It has a welded mesh mattress platform with metal cross supports to give added durability and strength.

Skid Bed – 1950 x 960 x 400 **INDI-SKIDBED**

Wall mounted headboard – 910mm x 500mm **INDI-WALLHEAD**

### Anti-Vandal Mattress

#### Key Features:

- Heavy-duty PVC anti-vandal cover
- Internally stitched and heat welded seams to prevent liquid ingress - ideal for high incontinence
- Easy-wipe clean for hygiene measures
- All foam inner
- Fire retardant to BS7177 source 5
